

Welcome to FoxNet's Managed Services

Question	Yes	No
<ul style="list-style-type: none"> Is the management and maintenance of your computer network and IT infrastructure distracting you from your core business? 		
<ul style="list-style-type: none"> Do you have challenges backing up the data that is critical to your business, or do you feel uncomfortable with the process of backing up your Network and the integrity of your data? 		
<ul style="list-style-type: none"> Could your business benefit from additional IT resources? 		
<ul style="list-style-type: none"> Would the proactive maintenance and management of software upgrades and patches improve the efficiency of your organization? 		
<ul style="list-style-type: none"> Would your organization lose productivity if Email or network access went down for an extended period of time? 		

If you answered yes to any of these questions, you could use FoxNet's assistance.
